New Developments	Service Specification for Community Mental Health and Well Being Contract We are developing a service specification, defining the key areas below and providing a detailed explanation of the service expectations, which aligns to the outcome model required by the commissioner. Shaw Trust wish to engage with all interested organisations who believe they are capable of providing services to meet the requirements and achieve the outcomes. <ul style="list-style-type: none">• Safe Spaces• Structured Groups and Activities• Peer Support A Contract Notification was sent out Friday 19 th August for expressions of interest and attendance at Market Engagement Event. This will include a procurement timeline and the Specification will be released on 9 th		

	September. This was circulated via the MHAG's.
Any other information	TOC Workshop completed – 13/07/2016 – attended by representatives of Canterbury Network members.
